BHAVYA

Full Stack Developer (MERN) | Node.js | React | MongoDB
bhavya512500@gmail.com | +91-7982742586 | Faridabad , India

PROFESSIONAL SUMMARY

Motivated MERN Full Stack Developer with strong hands-on experience in building web applications using MongoDB, Express.js, React.js, and Node.js through academic and personal projects. Skilled in developing responsive user interfaces, creating RESTful APIs, and working with databases such as MongoDB. Eager to learn, improve technical skills, and contribute to real-world software development projects as a fresher.

TECHNICAL SKILLS

- **Languages:** JavaScript (ES6+), HTML5, CSS3, TailwindCSS
- **Frontend:** React.js , Redux , Responsive Design, Single Page Applications
- **Backend:** Node.js, Express.js, RESTful APIs, JWT Authentication, Multer, Cloudinary
- **Databases:** MongoDB , Mongoose, Database Design
- **Tools:** Git, Postman, npm, API Testing, Performance Optimization

PROFESSIONAL EXPERIENCE

MERN Stack Web Developer (Trainee) July 2025 – December 2025
Ducat India, Faridabad, Haryana

- Developing full-stack web applications using React.js, Node.js, Express.js, and MongoDB with focus on scalability and performance.
- Building and integrating RESTful APIs connecting frontend interfaces with backend databases for seamless data flow.
- Implementing responsive UI components following modern design patterns and best practices for maintainability.

KEY TECHNICAL PROJECTS

• **Bloom and Dine (Modern Restaurant Website)** | CSS, React [Live Demo]

–Designed and developed a responsive frontend web application for a catering service using HTML5, CSS3,and React.
–Built reusable UI components for menu display, service sections, and customer interaction to ensure a clean and user-friendly interface.
–Implemented responsive layouts and media queries to provide seamless viewing across mobile, tablet, and desktop devices.
–Enhanced user experience through interactive elements, smooth navigation, and structured content presentation.

• **Personal Portfolio |** React, Tailwind CSS, JavaScript [Live Demo]

–Developed a fully responsive single-page application.
–Implemented smooth scrolling and scroll-reveal animations.
–Integrated contact form functionality using EmailJS.
–Designed reusable components following modern UI practices.
–Implemented dark mode functionality with theme toggle for enhanced user experience and accessibility.

EDUCATION

Pursuing Bachelor of Computer Applications (BCA) August 2024 – August 2028 *PT. JLN College*
Affiliated by:-
Maharshi Dayanand University (MDU) Faridabad,Haryana
